The petr is agreeable to all the Conditions except Rule II which provides that the interest for such deposits shall be payable only half-yearly He thinks that this Rule will help the instns so long as the donors or some honest manager conducts the business, otherwise it will defeat the object in view. He prays that this Rule may be relaxed in such a way as to enable him or his Agents to draw the interest monthly or half yearly. He submits that the interest may be paid through the Taluk authorities at Sira and for the purpose of controlling the monthly payment of interest, the endowments may be treated as one which is handed

RV (132) 29.11.10. Tho' payment of interest every month is not contemplated in the Govt order of July 1909, yet there is a precedent, in the case of Mr Kanle Dyarappa, of the Amildar of the Taluk concerned drawing* the half yearly interest, crediting the same to the funds of the institution, and draw upon it every month & pay it to the manager thereof. This is the prayer of the present Petr Ngre Gowda. This system has great advantages so far as the institutions are concerned, & if conceded to in one or two instances, other donors will not be slow in asking for a like concession.

a draft

The petrs objection is in reality nothing else is apparent that if the six months interest is paid in a lumpsum there may be misappropriation and thereafter monthly payments. This is provided for in the draft order herewith & then can be dealt with as may be considered in such cases

It would perhaps be right to say that the management should be under the control of Govt on the Mines Dept instead of Lands Dept in the Revenue Dept"

The draft is all right & meets the donor's intentions in securing that only monthly interest shall be paid into the Managers hands.

The Control should be in the Mines Dept as usual, but since the last G.O. says it may be in the Rev. Dept it may remain so.

Mutt of 675-09-3

To

The Secretary to the Government of His Highness the Maharaja of Mysore, General & Revenue Departments, Bangalore.

Respected Sir,

With reference to your endorsement No.2981/Fis.675-092 dated 14th June 1910 informing Mr. Ugre Gowda about the conditions laid in Notification No.Fl.473-503/G.F.15-07-2 dated 15th July 1909 re acceptance of deposits for charitable purposes at favourable rates of interest I beg to submit that Mr. Ugre Gowda is agreeable to all the conditions except Rule II of the said rules which provides that the interest for such deposits shall be payable only half yearly.

It is his opinion that the rule in question will help the Institutions so long as the donors or some honest and energetic managers conduct their business and he is afraid that there will be ample scope for the money to be utilised for purposes other than it was intended when an advance of six months is given and thus defeat the objects of Government as if the Institutions are conducted by bad managers, or in the case of sudden and unexpected emergencies of death, dismissal &c.

What Mr. Ugre Gowda prays is that this rule may be relaxed in such a way as to enable him or his agents to draw the interest monthly and not half yearly. This, he thinks that Government will have no objection to do, since it only safe-guards the objects with which Government protects these Institutions. Further he begs to submit that the interest may be paid through the Taluk authorities at Sira and for the purpose of controlling the monthly payment of interest, the endowment may be treated as one which is

is handed over to Government for management and just as in the case of such Institutions the Amildar is allowed to draw the interest monthly and manage them, so in this instance also the Sira Taluk Treasury Officer may be instructed by Government to pay the interest monthly to Mr. Ugre Gowda or his authorised agent, without managing the institutions in question himself.

I further beg to request that the Sira Taluk Treasury officer may be kindly directed to receive payments towards the deposit in question and the same may kindly be communicated to me.

I beg to remain,

Respected sir,

Your most obedient servant,

B. Ramachiyah
